Its semi-fitted cut (M2), together with finishes designed for everyday use, make it an ideal choice for educators, customer service staff, creative businesses or children's centres.

Made of vichy bamboo (60% organic cotton, 20% recycled polyester and 20% conventional polyester) weighing 150 g/m², this pinafore is lightweight, soft to the touch and environmentally friendly. Its fuchsia vichy colour brings cheerfulness and freshness, while the 3 contrasting front pockets not only add functionality, but also a distinctive visual detail.

It features adjustable straps with metal buckles for a perfect fit, as well as back darts to enhance the silhouette and an invisible zip on the side, which makes it easy to put on without compromising the design.
