Description

Bring freshness, originality and commitment to the workplace with the AQUARIUM Women's Coat, a garment designed for women who value functionality without sacrificing style or sustainability. With a semi-fitted M2 cut and a length of 80 cm, this gown is ideal for teachers, educators, health workers or creative professionals.

Made of vichy bamboo (60% organic cotton, 20% recycled polyester, 20% conventional polyester) weighing 150 g/m², it stands out for its lightness, softness and respect for the environment. Available in two cheerful and trendy combinations - aqua green vichy and pink vichy - its design is full of details that make the difference.

The mao collar with all-over print, together with the back yoke, front darts and centre back panel in a contrasting colour, elegantly structure the silhouette. Contrast patch pockets add functionality with a touch of colour, while the gathered cuffed sleeves provide comfort for everyday wear.

* Semi-fitted M2 cut | Length: 80 cm.
* Sustainable bambula vichy fabric with organic cotton and recycled polyester.
* Mao collar with vivid print, elegant and trendy.
* Contrast front patch pockets.
* Sleeves with ruffled cuffs + contrasting central back piece.

Available sizes

XS S M L XL XXL
