Description

Brighten up your working day with the Pichi SUN, a garment that combines style, comfort and unique details designed for professionals who want to stand out without losing functionality. Its semi-fitted design (M2) and lightweight construction make it an ideal choice for dynamic environments such as education, retail, hairdressing, beauty or customer service.

Made from fine stripe Vichy fabric (70% polyester, 30% cotton, 107 g/m²), this pinafore is cool, durable and easy to maintain. The sublimated front centre piece, together with the decorative and functional pockets, add a cheerful and original touch that breaks away from the traditional uniform routine. In addition, the light blue vichy bias binding on the pocket openings and the straps in the same fabric harmonise the design with a clean, professional finish.

The front darts and an invisible zip on the side seam make it easy to wear on a daily basis without altering the aesthetics.

* Length: 70 cm. Semi-fitted, flattering and comfortable M2 cut.
* Sublimated central piece and pockets, original and resistant.
* Straps and pockets in 100% polyester flat fabric.
* Bias in light blue vichy for a delicate and modern finish.
