Description

Make your uniform an expression of joy and dynamism with the Pichi RECREO, a garment designed for professionals who value both design and functionality in their day-to-day work. Its semi-fitted M2 cut, together with unique and practical details, make it the ideal choice for educators, teachers, toy library staff, retail and creative environments.

Made from 100% polyester flat fabric (165 g/m²), these shorts are durable, lightweight and easy to care for. The combined front, with wide shoulder straps with exposed button and patch pockets with gathers, give it a modern and casual style, without losing the elegance required in a professional environment.

It features front and back darts for a flattering fit, and a concealed front zip that makes it easy to put on without altering its aesthetics. Combined side pieces and tailoring details make this garment a versatile and stylish ally for the workday.

* 70 cm in length : Semi-fitted M2 cut that enhances without restricting the fit.
* Combined front and side panels, design with personality
* Wide shoulder straps with exposed button, comfort and style in one detail
* 2 patch pockets with gathers, functional and decorative
* Concealed zip front fastening + front and back darts
