Description

The MANEL Men's M/L Coat combines functionality, professional style and commitment to the environment. Designed with a semi-fitted H2 cut and an approximate length of 94 cm, it offers a comfortable and flattering fit for professionals in sectors such as healthcare, clinics, hospitality and laboratories.

Made from IRIS 74% PES RECYCLED 24% RY 2% EA - 180 gr/m², this garment is lightweight, elastic, breathable and sustainable. Its lapel collar, long sleeves and central button fastening create a clean, professional and practical design for everyday use.

It incorporates functional details such as back darts for a better fit and four pockets: two large front pockets, a side buttonhole pocket and another on the left chest, ideal for storing work tools with comfort and style.
