Description

The GABI coat from Uniformes Gary's is designed for professionals looking for a uniform that combines style, functionality and maximum comfort. Perfect for sectors such as healthcare, pharmacy, laboratories or beauty salons, this garment combines contemporary design with high-performance materials.

Made from ECOLYPTUS SARGA fabric (48% PES, 48% LY, 4% EA – 185 g/m²), it offers the perfect balance between strength, elasticity and softness, thanks to the incorporation of lyocell fibres, which are more sustainable and pleasant to the touch.

Its design includes a reverse lapel collar, long sleeves and a concealed central zip fastening, giving it a clean, professional finish. It has four front pockets, plus a buttonhole pocket on the left chest, ideal for keeping everything to hand during the working day.

On the back, it incorporates a central piece with a belt effect, which adds structure without compromising comfort. Its semi-fitted H2 cut and length of approximately 86 cm guarantee a balanced and functional silhouette for everyday use.

Available colours:
White (C/101)

Matching trousers: 700084.
Men's version: 500037.

Available sizes

XS S M L XL XXL 3XL
