Description

The VICHY long-sleeved women's dressing gown features a semi-fitted design that accentuates the figure, combining elegance and comfort in a single product. The darts at the front and back add a touch of sophistication.

Made from high quality materials, this gown is designed to withstand continuous wear in demanding work environments. The exposed buttons add a touch of distinction.

The coat features a left chest pocket and two patch pockets at the waist. These pockets provide space to store your work tools, phone or whatever you need to keep handy.

The back belt allows for a custom fit, and the buttoned cuffs add a touch of style while keeping the sleeves in place.

This dressing gown is not only stylish, but also comfortable to wear for long working days. The semi-fitted fit allows for unrestricted mobility.

While focusing on functionality, this coat is also a symbol of style. VICHY's choice of stripes or checks in light blue, blue and green colours gives it a modern and professional look.

Ideal for general cleaning uniforms.
