Description

The women's white sleeved dressing gown combines style and function in a single garment. With its modern design and short sleeves, you'll stay cool and comfortable all day long.

Made from high quality materials, this gown will stand up to constant use in demanding work environments. It is designed to last, even with frequent washing.

The gown features a left chest pocket and two patch pockets on the waist. These spacious pockets allow you to carry your essential tools with you.

The button front design makes putting on and taking off the dressing gown quick and easy. The buttons are functional and add an elegant touch to the garment.

The timeless white is a choice that reflects cleanliness and professionalism. It is easy to match and suits any work environment.

This coat is lightweight and comfortable to wear, allowing you to move around easily during your working day. The short sleeves keep you cool in hot weather.

Suitable for professionals who want to maintain a smart and professional look in the workplace without sacrificing comfort.

Ideal for uniforms in hospitals, clinics, medical centres and other healthcare professionals or for the cleaning industry.

Model replaced by reference number: 531101.
