Description

This white short-sleeved women's smock combines function and style in one garment. With its sleek design and short sleeves, you'll stay comfortable and cool throughout your work shift.

Made from high quality materials, this gown is designed to withstand the demands of a busy work environment. The quality construction ensures a long service life.

The gown is equipped with a left chest pocket and two side pockets. This allows you to carry your essential tools and devices with you.

The button design on the front makes it easy to put on and take off the coat. The buttons add an extra touch of elegance to the garment.

You can choose from four plain colours for the pocket turn-ups, sleeves and collar, allowing you to customise your dressing gown to suit your preferences and style.

It is lightweight and comfortable to wear, allowing you to move around with ease during your daily tasks. The short sleeves are ideal for keeping cool, especially in warm weather work environments.

This gown is designed for healthcare professionals who wish to maintain a professional and neat appearance in their work environment without sacrificing comfort.

Ideal for general cleaning uniforms.
