Description

The women's short-sleeved white SARGA gown has a versatile and functional design. With its short sleeves, button fastening and back belt, it is a garment that adapts to the needs of healthcare professionals.

This semi-fitted basic model features darts at the front and back to ensure a comfortable, personalised fit. You will feel confident and comfortable throughout your working day.

The gown features a left chest pocket and two waist pockets, providing ample space to carry your essential tools and devices within easy reach.

Made from high quality materials, this smock is designed to withstand daily wear and tear, making it a long-lasting investment.

It gives you the comfort you need to perform your work efficiently while maintaining a professional and tidy appearance.

Ideal for hospital, clinic, medical centre, laboratory, laboratory, pharmacy and other healthcare professional uniforms or for veterinary, cleaning or trade.

Model replaced by reference number: 541101.

Available sizes

XXS XS S M
