### Description

The Cheviot women's table dress is sleeveless and features a zip at the back for easy donning. It is designed with darts at the chest and back for a flattering fit and professional look. It also features a unique pleating on the side for a unique touch of style.

This dress is made from CHEVIOT, a blend of 97% cotton and 3% elastane. This choice of fabric gives the dress body and strength, making it ideal for everyday wear in demanding work environments. The combination of materials also provides stretch, ensuring comfort and freedom of movement.

The Cheviot Women's Plank Dress includes a knitted lining to maximise comfort. You can wear this dress for long working days without feeling uncomfortable, thanks to its design that allows breathability and softness in contact with the skin.

Although this dress is designed specifically for hospitality professionals, its stylish and versatile design makes it suitable for a variety of work environments, such as reception, transport, office or retail. It is a garment that combines elegance with a casual touch.
