Description

This gown is distinguished by its crossover design, which adds a touch of sophistication to your uniform, without sacrificing essential functionality.

The white colour of this gown is synonymous with cleanliness, professionalism and versatility, making it an ideal choice for the healthcare sector.

The women's sleeveless crossover gown features a sleeveless design, giving you unparalleled freedom of movement and allowing you to maintain a comfortable temperature in any environment.

The semi-fitted design and chest darts ensure a tailored fit, allowing you to maintain a professional appearance and stay comfortable throughout your working day.

The back belt with knotting straps adds an extra touch of style and functionality, allowing you to customise the fit of your gown to suit your preferences.

The coat features a right chest pocket and two patch pockets on the front, providing ample storage space for your essential tools and devices.

This smock combines a stylish look with exceptional comfort, allowing you to stand out in your work environment while feeling at ease.

The sleeveless design and custom fit allow this gown to be versatile in any work environment, from hospitals to dental surgeries.

Ideal for healthcare, cleaning, warehouse, food or retail uniforms.
