Description

Our smock features a lapel-less V-neck collar that adds a touch of distinction and elegance to your uniform. This design is designed for professionals who wish to project a sophisticated and modern image.

The sleeveless design of this gown allows for exceptional freedom of movement. This is essential for healthcare professionals who need to make quick and precise movements throughout the day.

The semi-fitted model with front and back darts ensures a custom fit that enhances your figure without sacrificing comfort.

The dressing gown is equipped with a back belt that not only adds style, but also allows you to customise the fit according to your preferences.

Our gown perfectly combines elegance with comfort. It allows you to look professional without compromising on comfort, which is essential in a demanding work environment.

The sleeveless design and tailored fit of the gown ensures that you can perform your daily tasks without restriction.

Ideal for cleaning, sanitary, warehouse, food or retail uniforms.
