Description

This gown features a short, sleeveless design that provides exceptional freedom of movement. It is ideal for professionals who need ample mobility during their working day.

The exposed lozenge buttons not only add a touch of style, but also make it quick and easy to put on and take off.

The lapel collar adds a touch of sophistication to your uniform. Stand out from your colleagues and project a professional image.

The semi-fitted model of the gown features front and back darts for a custom fit. The back belt allows you to tailor it to your preferences.

Our gown perfectly combines elegance with comfort. It allows you to look professional without sacrificing comfort, which is essential in a demanding work environment.

The sleeveless design and tailored fit of the gown ensure that you can perform your daily tasks without restriction.

Ideal as a uniform for hospital, clinic, medical centre, laboratory, pharmacy and other healthcare professionals, veterinary, warehouse, food industry, school, nursery or retail.
