Reference: 570101

Composition / Treatment

TWILL 65% PES 35% CO - 200 gr/m²

Available colors

101

Reference: 570101-101 · WHITE

Description

The unisex coat with acrylic cuffs is a functional and resistant garment, designed to offer maximum comfort and safety during the working day. Made of TWILL 65% PES 35% CO - 200 gr/m², it combines durability and breathability, ideal for healthcare, laboratory, cleaning or industrial environments.

It has a lapel collar and long sleeves with elasticated cuffs for a better fit and to prevent interference during work. Its central fastening with concealed press studs makes it easy to use, while the concealed pocket on the right-hand side provides extra functionality and discretion.

Available colours:
White (C/101)

Replaces reference: 570100.

Available sizes

XS S M L XL XXL 3XL

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.
