Description

Versatility is key in any work environment. This unisex gown has been carefully designed to meet the needs of a wide range of professionals, regardless of gender.

The long sleeves ensure full coverage, which is essential in places where hygiene and clothing protection are a priority.

The velcro fastening offers a highly efficient solution. It is quick, secure and easy to adjust, allowing for quick donning and doffing.

The acrylic cuffs not only provide comfort, but also keep warmth in cooler environments, ensuring the wearer is comfortable all day long.

The lapel collar is a detail that adds a touch of professionalism to the design of the gown, perfect for situations where impeccable presentation is required.

This gown includes a sewn-in inner pocket on the left chest, ideal for storing personal items or work tools.

The ENZO unisex smock has been designed with the wearer's comfort in mind. High quality materials and technical details ensure a comfortable fit all day long.

This model is especially designed for the food industry and production and handling chains, but can also be used for sanitary, cleaning or commercial uniforms.
