Description

Versatility is a hallmark of this gown, designed to suit users of all genders.

The long sleeves provide coverage and protection, essential in work environments where hygiene and safety are a priority.

The lapel collar adds a touch of professionalism and presents a polished and neat appearance at all times.

The back belt and the back seam provide a loose fit that ensures comfort and freedom of movement without compromising on aesthetics.

Equipped with a left chest pocket and two patch pockets at the waist, this gown offers space to carry work tools and personal items in a safe and organised manner.

The coat is made from SARGA and is available in a wide variety of colours, allowing wearers to express their personality and preferences in a work environment.

The men's long-sleeved smock is designed for comfort during long working days. The high quality materials ensure that the wearer feels comfortable and at their best.

Colours black C/001, navy C/104, sky bkue C/107 and green C/108 replaced by product code: 511102
