Description

Designed in a Saharan style, this gown adds a touch of sophistication and class to work attire, making it ideal for healthcare professionals and workers who desire a distinguished look.

The long sleeves provide full coverage and protection, keeping professionals comfortable in any work environment.

The lapel collar adds a touch of distinction and the exposed button fastening is not only practical and functional, but also adds an element of style to the garment.

The loose-fitting design allows freedom of movement, which is essential in environments where agility is key.

The back belt and mounted side slits provide a customisable fit and a higher level of comfort.

The gown features a left chest pocket and two patch pockets on the waistband.

Available in four different colour options, allowing professionals to choose the one that best suits their personal style.

The stylish design and thoughtful detailing make this gown an ideal choice for healthcare professionals who want to look professional and fashionable.

Ideal for hospital, clinic, medical centre, pharmacy, laboratory, veterinary, warehouse, food industry, cleaning or retail.
