SCRUB COAT WOMAN COLOURS

Reference: 596500

Reference: 596500-101 · BLANCO

Composition / Treatment

TWILL 65% PES 35% CO - 200 gr/m²

Available colors

101

Description

The long sleeve design offers coverage and protection, which is essential in many work environments.

The central zip fastening allows for easy donning and doffing, which is especially useful in work situations where speed is required.

Elasticated cuffs keep the sleeves in place, preventing accidental soiling or wetting.

The coat features two side pockets and a left chest pocket, providing convenient storage space for work tools or personal items.

The semi-fitted model with darts on the sides and back offers a flattering and comfortable fit.

The use of twill as the main material provides durability and ease of care, which is important for the demands of a work environment.

Coloured bias binding on the pockets and sides add a touch of style and originality to the garment.

Available sizes

XS S M L XL XXL

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.
