Reference: 598400

Composition / Treatment

WOVEN 65% PES 35% CO - 145 gr/m²

Available colors

115 119

Reference: 598400-115 · TURQUOISE

Description

The long sleeve design offers adequate coverage for a variety of work situations, keeping professionals comfortable at all times.

The concealed press stud fastening provides a stylish look and easy access, essential in fast-paced environments.

Elasticated cuffs keep sleeves in place and provide all-day comfort.

Two side pockets offer additional space for convenient storage of work tools or personal items.

The semi-fitted model with darts on the sides and back provides a flattering and comfortable fit.

The gown is made of antibacterial plain fabric in grey, with mauve or turquoise detailing on the collar and pockets. This fabric has bactericidal properties that prevent odours and a sanitary barrier protection. It also has a water-repellent finish that repels liquids and stain resistance.

It retains its antibacterial and resistance properties for up to 25 washing cycles at 60°C, ensuring a long life.

Available sizes

XS S M XXL

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.

MEASURE (cm)	XSS	XS	S	M	L	XL	XXL	YL
