## Description

Bring a touch of freshness, originality and sustainability to your uniform with the FUNKIDS Women's Blouse, a garment designed for professional women looking for comfort, personality and environmental friendliness in their workwear. Its semi-fitted cut and crossover design provide a flattering fit and freedom of movement, ideal for environments such as early childhood education, retail, healthcare or customer service.

Made from 132 g/m² flat knit fabric, a blend of polyester (43%), recycled polyester (32%) and cotton (25%), this blouse ensures light weight, durability and reduced environmental impact. The aqua-green colour scheme adds a relaxed, natural feel, while the contrasting exposed buttons add a playful, distinctive detail.

The design features front and back darts to enhance the silhouette, right-over-left cross over fastenings for comfort, and bias binding on the armholes and front for a clean finish. Two asymmetric pockets offer functionality with a touch of casual style.
