Description

The Peña Combi Open Women's Blouse is the ideal garment for professionals looking for comfort, breathability and an elegant design. Made of 100% polyester microfibre (148 gr/m²), it is light, resistant and easy to wash, perfect for sectors such as healthcare, aesthetics and hospitality. Fabric resistant to splashes of bleach diluted in water.

Its navy-coloured design combined with details in vichy fabric adds a sophisticated and modern touch. Ergonomically designed with front and back seams for a comfortable, flattering fit. In addition, the Air Dry pique back panel improves ventilation, keeping you cool all day long.

With three practical pockets (one on the chest and two double hip pockets), this blouse allows you to carry everything you need close at hand without compromising on comfort.

* 100% PES MICROFIBER fabric (148 g/m²): breathable, lightweight and quick-drying.
* Ergonomic design with side panels for a better fit to the body.
* 1 chest pocket and 2 double hip pockets for greater functionality.
* Vichy fabric details on collar and inside pockets for a distinctive touch.
* Air Dry piqué centre panel for improved ventilation and comfort.
* Open front zip, ideal for practicality.
