Description

Wear a uniform with energy and personality with the VISUAL Women's Blouse, a garment designed for professional women looking for functionality without compromising on design. Its semi-fitted cut (M2) with a 75 cm long flared shape provides a flattering and comfortable fit for everyday work.

Made from 100% polyester flat knit fabric (165 g/m²), this blouse is lightweight, durable and easy to care for. Its multicoloured front, combining vibrant shades of fuchsia, albero, light blue and pistachio green, gives it a fresh and dynamic look. The plain fuchsia backside maintains visual harmony and adds an elegant touch.

It includes two practical front pockets, each with colour-coordinated bias binding: one in fuchsia and the other in light blue, for contrast and originality. The centre front zip and front yoke complete a functional design, ideal for education, retail, customer service or creative environments.
