### Description

The ANA Women's Hidden Button Blouse M/L is the ideal garment for professionals seeking a balance between comfort, style and practicality in their work uniform. With a semi-fitted M2 cut and a length of approximately 65 cm, this blouse fits the body elegantly without sacrificing freedom of movement.

It is made from 95% PES 5% EA 360 MICROFIBRE - 170 g/m², a high-performance technical fabric that provides multidirectional elasticity, lightness, breathability and quick drying. In addition, it does not need ironing and offers great resistance to daily use, ideal for demanding environments such as healthcare, clinics, beauty salons or customer service.

Its funnel neck and long sleeves give a professional and neat appearance. The central fastening with concealed press studs maintains a clean look, while its four front pockets – one with a metal ring detail for hanging ID or keys – provide additional functionality. The yoke at the back improves the anatomical fit of the garment.
