Description

The ARLET jacket from Gary's Uniforms is designed for professional women who seek the perfect balance between elegance, comfort and sustainability in their work uniform.

Made from state-of-the-art IRIS 74% PES RECYCLED 24% RY 2% EA - 180 gr/m², this garment offers elasticity, breathability and softness, as well as a firm commitment to the environment.

The design features a mandarin collar, long sleeves and a central inverted zip fastening, giving it a clean and functional finish. The front and back yokes provide structure to the garment, while the ribbed fabric on the sides and back promotes mobility and adaptation to the body.

It has two side pockets with piping that allow you to keep your essentials close at hand. Its slim M1 cut and length of approximately 70 cm make it a professional, stylish and comfortable option for everyday wear.
