Description

The MUSA blouse from Gary's Uniforms is a professional garment designed for women who seek lightness, elegance and sustainability in their everyday work uniform. With a modern and structured design, it is ideal for environments such as clinics, beauty salons, spas, pharmacies or wellness centres.

Made from SOREMA fabric (53% recycled polyester and 47% organic polyester - 108 g/m²), weighing only 108 g/m², this blouse is particularly lightweight, cool and environmentally friendly.

Its double-fastening funnel neck (visible outer button and hidden inner button) adds a contemporary touch, while its central front zip makes it easy to wear. The semi-fitted M2 pattern fits the female silhouette comfortably and elegantly, and the back darts reinforce the fit without restricting movement.

It includes two functional side pockets, perfect for carrying work tools or personal accessories, and has an approximate length of 65 cm.

Available colours:
Black (C/001) | White (C/101) | Navy (C/104) | Sand (C/142) | Khaki Green (C/149)

Matching trousers: 700077

Available sizes

XS S M L XL XXL 3XL

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.
