Description

The LINA blouse is the perfect combination of style, functionality and sustainability. Designed for professionals who value comfort without compromising on a polished look, this garment is ideal for sectors such as beauty, health, pharmacy and wellness centres.

Made from SOREMA fabric (53% recycled polyester and 47% organic polyester - 108 g/m²), the blouse stands out for its lightness (108 g/m²), softness to the touch and environmental commitment.

Its design includes an elegant mandarin collar, subtle gathering at the shoulders and short tulip sleeves, giving it a sophisticated and feminine look. The central closure with concealed press studs ensures practicality with a clean finish.

It incorporates darts at the front and back for a flattering fit, along with two functional side pockets. Its fitted M1 cut and length of approximately 67 cm make the LINA a comfortable, modern and versatile garment.

Available colours:
Black (C/001) | White (C/101) | Navy (C/104) | Mauve (C/119) | Sand (C/142) | Khaki Green (C/149).

Matching trousers: 700082.
