Its fitted M1 cut and approximate length of 68 cm stylise the figure without compromising mobility, making it an ideal garment for sectors such as healthcare, clinics, beauty salons and customer service.

Made from 100% PES MICROFIBRE – 148 g/m² with bias binding on the collar and fastening, and a contrasting-colour pocket in TWILL 74% PES, 24% RAY, 2% EA – 180 g/m² on the hips and left sleeve. This blouse is lightweight, breathable and quick-drying, and does not require ironing, ensuring comfort and ease of care even after intensive use.

Its design incorporates a mandarin collar with a V-neckline, which adds a modern and professional touch. The central closure with concealed press studs offers a clean and functional aesthetic, while the 4 front pockets, together with the welt pocket on the sleeve, allow you to keep essential tools or accessories close at hand.
