Description

The RAQUEL Women's M/Ranglan Blouse is the perfect choice for professionals looking for a functional, modern garment that is suited to the most demanding environments. With a semi-fitted M2 cut and a length of approximately 68.5 cm, this blouse combines ergonomics, style and practicality in a single design.

Made from MICROFIBRE 360 95% PES 5% EA - 170 g/m², a high-performance technical fabric, it provides elasticity in all directions, lightness, breathability and ultra-fast drying. It is also resistant to intensive use and does not need ironing, making it easy to care for on a daily basis.

Its crossover round neckline, together with the short raglan sleeves, create a modern, feminine and flattering silhouette. The central closure with hidden press studs and contrasting piping detail give it a distinctive and elegant touch. It includes two functional pockets: one patch pocket with gusset and another with piping, designed for practical and secure use. The darts at the chest and back reinforce the natural fit.

Available colours:
Pearl grey (C/117) | Greyish blue (C/152)
