Description

The CARLOTA Women's Blouse is a garment designed to offer comfort, style and lightness in the workplace. With a semi-fitted M2 cut and a length of approximately 67 cm, this blouse adapts to the female silhouette, promoting mobility without sacrificing a professional and modern look.

It is made from 95% PES 5% EA 360 MICROFIBRE - 170 g/m², a technical fabric that stands out for being breathable, quick-drying, antibacterial and non-iron. Ideal for professionals in healthcare, beauty, teaching or the care sector who are looking for functionality and aesthetics in the same garment.

The crossover neckline adds a modern and distinctive touch, while the two visible snap buttons (non-functional) enhance the design without compromising practicality. The sleeves and back yoke in Air Dry fabric improve ventilation, and the front pocket allows you to store essential items.

Available colours:
Aqua (C/143) | Nude (C/157) | Maya Blue (C/169)

Matching trousers: 700600.
