Description

The JOAN Men's Zip-Up Box Neck Blouse is a professional garment designed to offer performance, style and comfort every working day. With a semi-fitted H2 cut and a length of approximately 75 cm, it is perfect for those working in sectors such as healthcare, laboratories, customer service or beauty salons.

It is made from 95% PES 5% EA 360 MICROFIBRE - 170 g/m², a state-of-the-art technical fabric that provides multidirectional elasticity, lightness and breathability. It is also quick-drying, does not need ironing and is resistant to intensive use, ideal for the daily professional routine.

The design features a square neckline and short sleeves, with a concealed central zip for ease of use and a clean look. Its four front pockets (one with a concealed zip) provide functionality for carrying tools or belongings safely. The elasticated ribbed side panels at the back allow for greater adaptability to movement.

Available colours:
Black (C/001) | White (C/101) | Navy (C/104) | Light blue (C/107) | Pearl grey (C/1117) | Khaki green (C/149)

Matching trousers: 700083.
Men's version: 600082.

Available sizes

XS S M L XL XXL 3XL

Size guide
