Description

The GAEL Men's V-Neck Blouse M/C is designed to offer freedom of movement, freshness and functionality throughout the working day. With a semi-fitted H2 cut and a length of approximately 75.5 cm, it adapts to the body with a balance between comfort and style, ideal for professionals in sectors such as healthcare, clinics, pharmacies or customer service.

Made from 360 MICROFIBRE 95% PES 5% EA - 170 g/m², this technical blouse provides 4-way stretch, is breathable, lightweight, quick-drying and does not need ironing, making it a practical and durable choice. The Air Dry technology side panels on the front and back optimise ventilation, keeping the body cool at all times.

Its V-neck and short sleeves offer a modern and professional look. The side slits allow for superior mobility and its 4 functional pockets on the front (spacious and well distributed) ensure space to carry essential work tools.

Available colours:
Light blue (C/107) | Pearl grey (C/1117) | Nude (C/157)

Matching trousers: 700083.
Men's version: 600095.

Available sizes

XS S M L XL XXL 3XL
