Description

The PETRA blouse from Gary's Uniforms stands out for its feminine, functional and sustainable design, perfect for professionals who want to look smart without compromising on comfort. Ideal for sectors such as beauty, wellness, healthcare or reception, this garment is as versatile as it is stylish.

Made from SOREMA fabric (53% recycled polyester and 47% organic polyester - 108 g/m²), it offers excellent breathability, softness to the touch and low environmental impact. Its lightness (108 g/m²) makes it an ideal choice for the daily work routine.

Its design features a classic round neck, short sleeves and an elegant teardrop neckline with metal button closure, adding a distinctive touch without compromising on professionalism. The front and back darts slim the silhouette, while the semi-fitted M2 cut ensures freedom of movement.

With an approximate length of 56 cm, PETRA is a comfortable, cool garment with its own style.
