Description

The RAQUEL blouse from Gary's Uniforms is designed to offer comfort, breathability and functionality in demanding professional environments. Perfect for sectors such as healthcare, beauty, pharmacy and wellness, this garment stands out for its modern design, flattering cut and sustainable fabric.

Made from 54% recycled polyester and 46% PES microfibre (145 g/m²), this blouse is lightweight, breathable, resistant to intensive use and quick-drying, making it ideal for active days.

The design features a V-neck, raglan sleeves for improved mobility, and front and back side panels in Air Dry fabric for ventilation and thermal comfort. It also has four functional front pockets, one of which has a loop and press stud, to keep small items safe.

Its semi-fitted M2 cut and length of approximately 66 cm ensure a comfortable fit that flatters the silhouette without restricting movement.

Available colours:
Black (C/001) | White (C/101)

Matching trousers: 703600.

Available sizes

XS S M L XL XXL 3XL

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.
