Description

The RAMON short-sleeved men's shirt is designed for those who need a comfortable, functional garment with a contemporary design. With a semi-fitted H2 cut and a length of approximately 75 cm, it offers a flattering silhouette that adapts to the pace of any working day in sectors such as healthcare, beauty, services or customer service.

Made from 360 VIGORÉ MICROFIBRE 95% PES 5% EA - 170 g/m², an advanced technical fabric, this shirt stands out for its four-way stretch, breathability and quick-drying properties. Its vigour finish gives it a modern and professional look, while its resistance to intensive use and the fact that it does not require ironing make it easy to care for on a daily basis.

The design includes a V-neck, shoulder yoke and front and back side panels, which improve the anatomical fit and provide greater comfort. The three front pockets add functionality without compromising on style.

Available colours:
Pearl grey (C/117) | Mauve (C/1119) | Charcoal grey (C/139) | Khaki green (C/149)

Matching trousers: 700088.
Women's version: 600121.
