Description

The unisex Button-up healthcare blouse is designed for those seeking functionality, freedom of movement and durability in demanding professional environments. Made from TWILL 65% PES 35% CO - 200 gr/m², this garment offers an excellent balance between breathability and resistance to intensive use.

Its loose fit (H3) ensures comfort throughout the working day. It features a round neck, short sleeves and a central button fastening, making it easy to put on and giving it a classic, clean look. The side slits improve mobility and the three front pockets provide the practicality needed for everyday use.

Ideal for healthcare personnel, care centres, cleaning, beauty salons or veterinary clinics.
