Description

Discover elegance and functionality with our Julia women's coat, designed for healthcare and food industry professionals.

Made from TWILL 65% PES 35% CO - 200 gr/m², this long-sleeved coat features a feminine cut with snap cuffs, a mandarin collar and concealed press stud fastening.

Three concealed pockets, including one on the left chest, add practicality. The semi-fitted garment has darts at the front and back, along with a back belt for a perfect fit.

Ideal as a uniform for doctors in clinics, hospitals, medical centres, pharmacies or laboratories, this model offers quality and style. Discover comfort in every detail with our Julia Coat, also available in a men's version.

Available colours:
White (C/101)

Matching trousers: 772101.
Men's version: 610300.

Find your perfect healthcare uniform and stand out in your work environment with our exclusive line!

Available sizes
