Description

Discover elegance and functionality with our Emma Women's Blouse, designed to stand out in the healthcare sector and especially in cleaning roles. This short-sleeved jacket features a visible button closure, stand-up collar and two front pockets between seams, offering a semi-fitted design with side panels at the front and back.

Made from MICROFIBRE 100% PES - 148 g/m², an advanced fabric with antibacterial properties, highly breathable and resistant to diluted bleach splashes.

The blouse is washable at 90º, quick-drying and repellent to hair and pet hair, eliminating the need for ironing.

Available in black or grey with white details, the Emma Blouse is ideal as a uniform for healthcare professionals and, especially, for chambermaids and general cleaning staff.

Discover the quality and versatility in every detail with our Emma Blouse.
