Description

Discover the Hope Unisex Jacket, a charitable garment designed for health professionals committed to the fight against cancer. This short-sleeved jacket features a V-neck and is equipped with welt pockets on the left chest and right hip for functionality and style. The semi-fitted design with back darts and side slits ensures a comfortable and flattering fit.

Made from 100% Polyester MICROFIBRE, this anti-bacterial fabric is highly breathable, resistant to bleach splashes and washable at 90º. It offers fast drying, no ironing and repels hair and pet hair.

Available in a variety of prints, the Hope Unisex Jacket is the ideal choice for healthcare professionals.
