### Composition / Treatment

MICROFIBER 100% PES - 148 gr/m²

### Available colors

127 139

**Reference: 616300-127 · PISTACHIO**

### Description

Discover comfort and style in the Gorka Men's Jacket, a garment designed for healthcare professionals who seek quality and performance in their workwear. This long-sleeved jacket features an elegant mandarin collar, two front pockets and a concealed press stud fastening. The garment is loose-fitting with side slits, offering freedom of movement and a comfortable fit.

Made from MICROFIBRE 100% PES - 148 g/m², an antibacterial and highly breathable fabric, the coat is resistant to splashes of bleach diluted in water, washable at 90°C and quick-drying. Available in white with AEROSILVER technical fabric details on the shoulders, this jacket is ideal for healthcare professionals in hospitals, clinics, medical centres, pharmacies, laboratories, veterinary clinics, beauty salons, spas, and shops.

Available colours:
Pistachio (C/127) | Charcoal grey (C/139)

Matching trousers: 700600.
Women's version: 660800.

### Available sizes

XS S M L XL XXL 3XL
