Description

Experience the perfect combination of function and style with the Ander Men's Jacket. Designed for healthcare professionals looking for a comfortable and stylish uniform, this short sleeved jacket features a fashionable V-neck and two side pockets for practicality. The loose-fitting garment, with front and back seams, offers a flattering and comfortable fit throughout the day.

Made from 100% Polyester MICROFIBRE, this anti-bacterial fabric is highly breathable and resistant to splashes of bleach diluted in water. Washable at 90º and quick-drying, the jacket is easy to maintain and does not require ironing. In a stylish navy colour with COOLMAX print detailing on the sides, collar and back, this garment adds a modern touch to your uniform.

Ideal for healthcare professionals in hospitals, medical centres, clinics, pharmacies, veterinarians and retail outlets. Complete your ensemble with the matching women's model (ref. 658800) and enjoy impeccable style in your working environment.
