Description

Discover the elegance and functionality of the Julen Men's Coat, a garment designed especially for healthcare professionals looking for comfort and style in their workwear. This long-sleeved gown features a modern mao collar and concealed press stud fastening, highlighted with a buttonhole pocket on the left chest and two front pockets for practicality.

Made from 100% Polyester Microfibre, this highly breathable, anti-bacterial fabric is resistant to splashes of bleach diluted in water and is washable at 90°. The quick-drying ability, no ironing required and hair and pet hair repellent properties ensure a hassle-free wearing experience. The white variant with pistachio or charcoal grey shoulder detailing, together with the Aerosilver technical fabric in the same area, adds a touch of style and professionalism.

Ideal for uniforms in medical environments, clinics, medical centres, pharmacies, laboratories, veterinary practices or retail outlets.

Enhance your professional image with the Julen Men's Coat, the perfect choice for doctors, nurses and other healthcare professionals!

Available sizes

XS S M XXL 3XL
