Description

Discover the versatility and style of the Saul Men's Coat, designed for healthcare professionals looking for comfort and elegance in their workwear. This long sleeved gown features a fashionable mao collar and concealed press stud fastening, highlighted with a buttonhole pocket on the left chest and two front pockets. Stretch polyamide detailing on the forearms adds a distinctive and functional touch.

Made from 100% Polyester Microfibre, this highly breathable, anti-bacterial fabric offers resistance splashes of bleach diluted in water and is washable at 90 degrees. The quick-drying ability, no ironing required and hair and pet hair repellent properties ensure a hassle-free wearing experience.

Ideal for uniforms in medical environments, clinics, medical centres, pharmacies, laboratories, veterinary or retail.

The Saul Men's Gown is the perfect choice for doctors, nurses and other healthcare professionals looking for a balance of function and style in their day-to-day work.

Available sizes

XS S M L XL XXL 3XL
