Description

Discover the elegance and functionality of the Camilo Men's Jacket, a garment designed to meet the demands of healthcare professionals. This long-sleeved jacket features a refined mao collar and fastens at the cuffs and front with concealed press studs for a polished and practical look. It features a welt pocket on the left chest and two front pockets that enhance the semi-fitted design, complemented by front and back seam detailing.

Crafted in white twill, the Camilo men's jacket comes with decorative pocket triangles and a white interchangeable waistband. You can also customise your style with additional packs of triangles and waistbands in different colours (reference 6181).

Ideal for uniforms in medical environments, such as hospitals, clinics and medical centres, as well as pharmacies or veterinarians. The Camilo Men's Jacket, also available in a women's model (reference 661900), combines style and functionality to meet the needs of the most demanding health-care professionals.

Available sizes

M L XL
