Description

Discover the versatility and comfort of the Tadeo Men's Jacket, a garment designed to meet the demands of healthcare professionals and other work sectors. This short-sleeved jacket features a modern V-neck and three front pockets, including two on the right side, offering functionality and style. The garment is loose-fitting and comfortable, with side panels at the front and back, as well as side slits for greater freedom of movement.

Made from a wide range of colours in 360 MICROFIBRE 95% PES 5% EA - 170 g/m², a revolutionary fabric with Silvadur antibacterial treatment, which incorporates silver ions to provide protection and freshness. This fabric absorbs and wicks sweat away from the skin, facilitating perspiration, and its 360 elasticity allows it to stretch in all directions, providing greater comfort and freedom of movement.
