Description

The colour combination of white and navy vichy check on the collar, sleeve cuffs and pocket piping gives this blouse a classic and timeless look. The V-neckline gives it a traditional look.

The short sleeves and loose-fitting cut ensure comfort during long working days in the hospitality industry, hospitals, clinics or canteens. It also has a left chest pocket and two front pockets that offer space for carrying essentials while you work.

It is made from white twill, a durable and hardwearing material that will stand up to daily wear and tear in the work environment. The navy checked vichy detailing adds a touch of style and contrast.
