Description

Discover the elegance and comfort of the Formentera Women's Blouse, designed especially for hairdressers and grooming professionals.

This short-sleeved jacket features a modern style with a distinctive touch: a decorative metal button on the front and a flattering round neckline. The semi-fitted cut, with darts on the chest and back, ensures a snug, comfortable fit.

Made from 100% polyester MICROFIBRE, this advanced fabric offers antibacterial properties, high breathability and resistance to splashes of bleach diluted in water. In addition, it is washable at 90º, dries quickly and does not require ironing, and is also hair and pet hair repellent.

Ideal for professionals in hairdressing salons, beauty salons, spas, pharmacies, veterinary clinics or shops looking for a uniform that combines style and functionality.
