Reference: 658100

Composition / Treatment

MICROFIBER 100% PES - 148 gr/m²

Available colors

101

Reference: 658100-101 · BLANCO

Description

The Katia Women's Blouse redefines the standard of elegance and functionality in healthcare uniforms. With long sleeves, a mandarin collar and concealed press studs on the front and cuffs, this blouse offers a refined and professional design.

Made from 100% PES MICROFIBRE - 148 g/m², an advanced fabric with antibacterial properties, it is highly breathable and resistant to splashes of bleach diluted in water. Washable at 90º, it dries quickly and does not require ironing, as well as being resistant to hair and pet hair.

Ideal for healthcare professionals, the Katia Blouse provides style and comfort in medical, pharmaceutical, aesthetic and other environments.

Available colours:
White (C/101)

Men's version: 613900.

Available sizes

XS S M L XL XXL 3XL
