Description

Discover the innovative LEONOR ELASTIK WOMAN BLouse, a leading choice in health and workwear for professionals in the healthcare and food industry.

With short sleeves and a V-neck, this jacket offers functionality with two front pockets and a zipped pocket on the right side. The semi-fitted design, with side vents and side vents on the front and back, provides comfort without compromising on style.

Made from 99% Polyester - 1% Elastane MICROFIBER ELASTIK, it guarantees maximum freedom of movement, antibacterial resistance and breathability. In addition, its AEROSILVER technical fabric on the sides and neckline provides a modern touch.

Ideal for healthcare professionals.

Also available in men's model (ref. 616700). Discover excellence in health-care workwear!

Available sizes
