Description

Discover the NORA WOMAN BLUSE, a long-sleeved gown designed for healthcare and work professionals.

With side fastening with hidden press studs and two side pockets, this semi-fitted garment has a neat design with gusset at the back and side seams at the front and back.

Made from 100% polyester MICROFIBRE, this anti-bacterial fabric is highly breathable, tolerant splashes of bleach diluted in water and washable at 90º. It also dries quickly, does not need ironing and is hair and pet hair repellent.

Available in white with pistachio or charcoal grey details on shoulders and neckline, using AEROSILVER technical fabric on shoulders. Ideal for nursing uniforms, doctors and other health professionals in hospitals, clinics, medical centres, pharmacies, laboratories, veterinarians and shops.
